

Hello Sir/Ma'am,

As a resident of Texas, I am proud to say that K-Love has been veryb instrumental to me in that I listen to them every morning on my way to work. At 0500 in the morning itis refreshing to hear God's word on my wy to work. It really gets my day started.If K-Love was to be replaced by a LPFM itwould really take away from me being totally effective. I really do rely on it to get me going. I'm sure a lot of other people feel the same way as I do. This station brings a lot of people together and have a large following. Please do not destroy or give this station to substandard performance. This station have been serving the public and myself in a way that you can' even imagine.

Sincerely Yours,
Terrell
